

Instructions to Computer Based Assessment

Paper Release: Mon 2 Nov 2020.

Submission Due: Mon 9 Nov 2020, 11pm.

1. Answer all parts of the question, in the order listed. Start your answer to each question on a new page.
2. This is an open-book individual assessment. You are allowed to use internet.
3. If you use someone else's work or opinion, quote and cite properly.
4. You are allowed to use the following software to answer the questions:
 - R and RStudio
 - Microsoft Word
5. You must type your answers, and copy & paste (if necessary) screenshots of software outputs into **Microsoft Word Document**. **All answers must be fully contained inside one word document.** i.e. do not tell examiner to refer to any other file to see your answers.
6. Your submission will be graded on the assessment rubrics, compliance to instructions and presentation. Label your answers in word document to correspond to the question number/part. Most questions are designed to be open ended and have many possible answers.
7. Two files to be submitted. Do not zip the files. Submit as two separate files:
 - a. Word document with the filename **yourfullname.docx**. e.g. Tony Stark.docx.
 - At the top of first page, write your:
 - full name as in NTU register, and
 - NTU student email address.
 - b. Rscript with the filename **yourfullname.R**. e.g. Tony Stark.R
8. Upload the documents into NTULearn **Class Site** > CBA Submission, before Submission Due.
