

Exercise 5.2

Run R Script and Answer the Research Questions

R script file: ADA1-5-2 datacleaning.R

Dataset: children.csv

Run Part 2 of ADA1-5-2 datacleaning.R

- Run each code line by line in Part 2 of ADA1-5-2 datacleaning.R and see each effect.
- Answer the three research questions in Part 2 of ADA1-5-2 datacleaning.R: RQ5 – RQ7.

Coordinator's solution to all exercises will be posted on main site after all classes complete lessons at end of week.
