

Legend

: Logo of multiversal studios.

— : Heading text

: map of LALA Park

~~~~~ : subtitle text.

: Images

Black ink pen : what the user would be able to see in the actual interface.

: Represents current tab/page the user is in.

: Represents the greying out of background screen.

Same header used for almost all screens with few changes.  
(Strike for consistency)

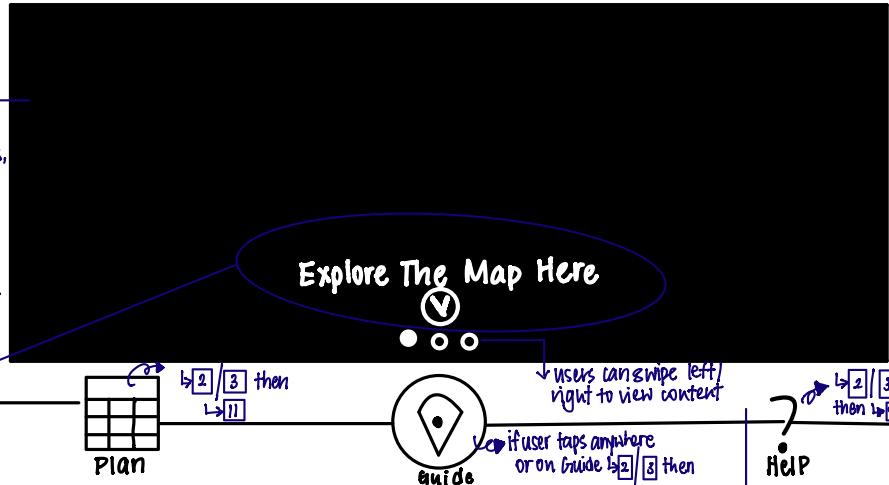

## 1 Screensaver

→ screensaver would be displayed after the kiosk has not been used in 3 minutes.

🔍 (🌐) English ✓

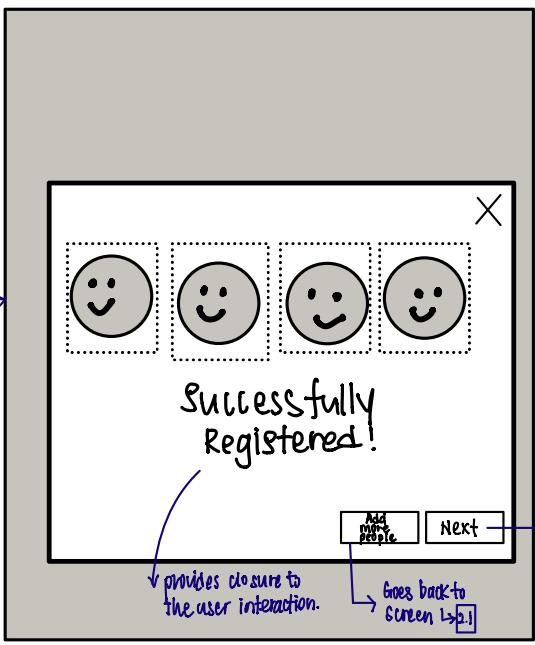

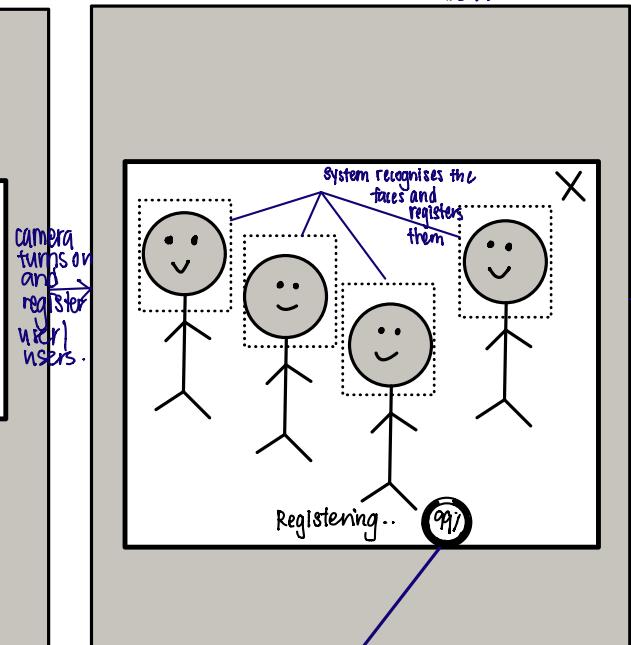

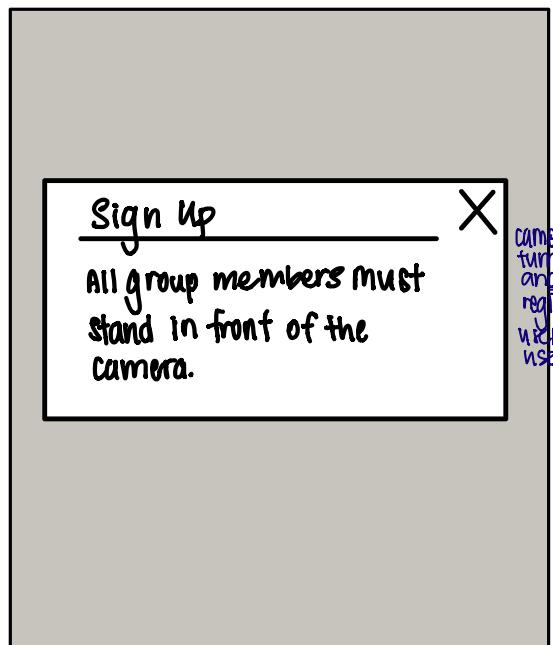

Today's Park Hours: 9:00 A.M. - 10:00 P.M.

## 2 Sign Up

### 2.1 Sign Up Process

### 2.2 Successful Registration

- Screen showed after registration dependent on what the user has tapped on in the screensaver:
  - ① ↳ 4 : if user taps anywhere or on inside button
  - ② ↳ 2 : if user taps on plan button
  - ③ ↳ 3 : if user taps on help button

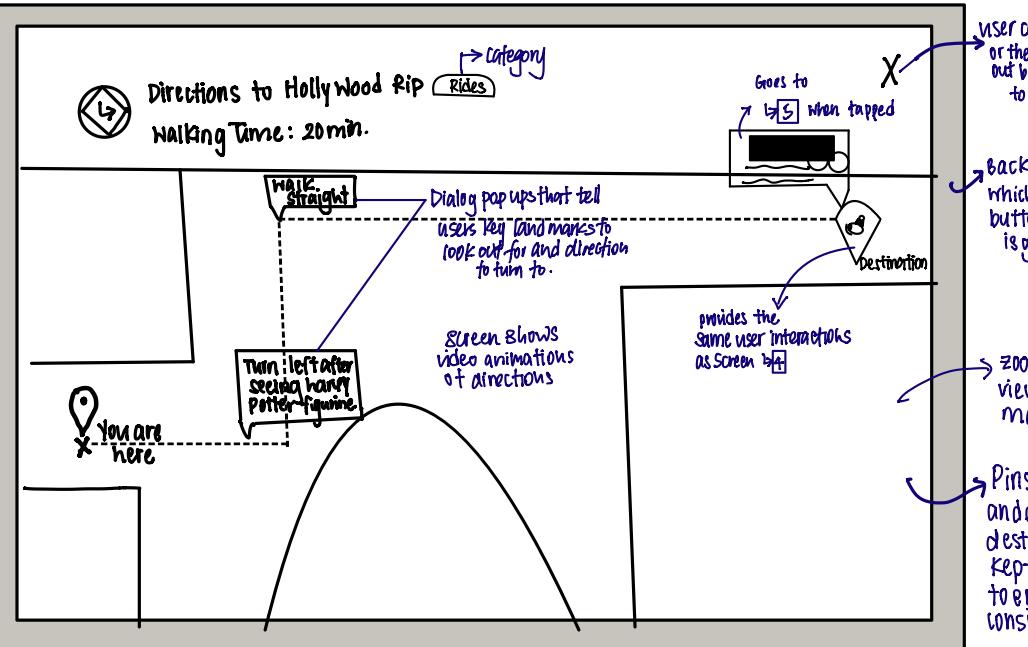

provides closure to the user interaction.

Goes back to screen ↳ 2

- CASE 1: If facial recognition doesn't recognise users (i.e. not registered)
- CASE 2: Goes to Screen ↳ 3 if users already registered.

## 6 Directions

Grayed out search as user is already in search page. ( prevent Errors)

## 7 Search

gives back to where search was activated until search can be activated on all pages.
