Pre-class Learning Activities for Session 4

Instructions:

- Complete the following listed learning activities before class.
- Post your questions in NTULearn Class Site > Discussion Board.
- Good questions will be awarded additional class participation points.
- Post your answers to questions raised in the Discussion Board.
- Good answers will be awarded additional class participation points.

Learning Activities:

1. Read https://data.library.virginia.edu/getting-started-with-quantile-regression/
2. Watch https://www.youtube.com/watch?v=CU0ofd3hSOA

Note:

We will not be using SAS for Quantile Regression. The concepts and the software results are the same regardless of your choice of software.
